Program of Study

The instrumental program begins in 5th grade. This program has three areas of instruction: lessons, school band, and Saturday or Monday Band. Lessons for beginners begin the week of September 11.

Lessons: These take place once a week during the school day at your grade school. Lessons are 15 minutes for private lessons and 30 minutes for small groups.

School band: This group usually meets weekly and performs for worship services and school events.

Saturday or Monday Band: This group meets at 8-9am each Saturday at Milwaukee Lutheran High School, or at 6:30-7:30pm Monday evenings at Martin Luther High School and Lake Country Lutheran High School. You can attend whichever school best fits your schedule. This band presents two major concerts in the year. (This is included at no additional cost to students enrolled in lessons at school.)

Individuals and small groups can also perform in chapel services and in the Solo and Ensemble Contest which is held each March.

Selection of Instrument

Parents and teachers work with students to make the best decision for the right instrument. Students will have the opportunity at the beginning of the year to hear and see a demonstration of the offered instruments.

Obtaining an Instrument

Use your own: First have an instructor or music store check if it is playable.

Rental from store: Music stores rental plans average \$25-40 per month. The payments are applicable to the purchase price of the instrument.

Rental from LHSAGM: The High Schools have some larger instruments for rent as well. The band instructor would help with this if you are interested.

Purchase: With a price range of \$700-1200, we recommend using the rental programs until your child's interest in the instrument is more developed!

Already play the piano? Great!

Piano students are noticeably faster in learning a band instrument than other beginning students. Also, band offers several unique social and musical experiences that pianists do not have.
